

I come I think you would be entertained
 on second thought I would ask my daughter as
 always I am
 I will sit in
 February with pleasure - On
 Christmas night my pretty
 niece had a family dinner
 party - a we all put on "make
 shift" fancy dress - it is a
 game, one has to get up a
 fancy dress ^{improvised} out of nothing
 the best gets the prize - I
 should like you to have seen

TELEPHONE No 1248 ALEXINGTON.

22, LENNOX GARDENS.
 S.W.

Dec 31st
 was when I
 lived in
 19th Century
 111
 1888

What some of us looked
like! The result was too
wonderful - I was a kind
of Renaissance siren of
sorts!!! quite incorrect, but
so extraordinary looking
that I wished your artistic
eyes could have seen the effect.
Lillian - will you come
to have dinner ^{with me} ^{which ever night you like} next week? & I will dress
up again, & my daughter -

also. I believe it - would amuse
you. I thought for a head
it would be a perfect pendant
to your Indian Prince - Hair

in two parts - & a
big Russian necklace
I have of sapphires &
pearls & diamonds
hung from the side
of the band round
the head like
a "gorget". I
have a whole
parure of these jewels, head
ornament, dress ornament - earrings
etc etc, they are rather gorgeous &

looked too wonderful - I would
like you to see the whole thing
Do come to dinner. My brother
in-law says dinner & we
can have a nice evening - I
will ask Lord Cargore although
I don't know if he is in
London, or ever goes out except
to state dinners but perhaps
he would come to see you, & this
red hand lady dressed up
in things (a character!!!) of
her former life, when she was not
just the virtuous & dull mother of
this one but lived in Venice & was
a vampire & let her fancy play!!
