Dear Mr de Langlo

Thank you so much for your
letter. I am so sorry to
trouble you again, but the
publishers insist that, as
a matter of form, I
must ask you whether
you will sanction your

ADDITIONAL TERRACE HOUSE
Portrait being reproduced just
as it was in the
Woman's Journal (I enclose
a copy) i. e. taking
a little off the top?

I hope you don't mind?

Yours sincerely
