Dear M<sup>r</sup> de Caszlo,

By all means put that  
last portrait of mine in your coming  
exhibition, I shall be proud; &  
in any case it is yours to do as  
you please, after all —

I am delighted to hear you are  
happy about your son's marriage,  
it makes all the difference &  
parents really know so much

Princess Alice

believe than the Jones people  
what really should make for the  
happiness!

Believe me always

Yours sincerely

Alice
