

Welbeck Abbey,
Worksop,
Notts.

12. Dec. 1932.

My dear Mr de Laszlo

It is no kind of
goose to write, and I
feel I am very fortunate
to have been the subject
chosen for your most
kind offer to paint a
portrait for Dundee

You kindly ask
me what my plans
are — I am afraid
I shall not be settled
in London till after
the 1st week in February
as I have some business
to do after I cross —
Would some time
then suit you?

Will you write and
tell me what you
would like.

I am leaving here
on Wed. and moving about
but 5. Staffed Mansions
will always feed us
yours very sincerely

Labelle Kerlee
