6, UPPER BROOK STREET, W. 1.

Dear Mr. de la Roche.

Very many thanks
for your letter which has
given us both very great
pleasure. We are
delighted to think you will
really undertake to
do something of Andrew.
As to what form it
should take, we must

willingly leave it to you
to decide as you may
think best.

As regards dates, we have
no very definite plans
but generally go back
to Scotland the first week
in July - so that if
you begin - as you suggest -
on your return from Paris
27th June that would
suit very well.

1297 MAYFAIR.

we probably would not
be going till say the
8th or 10th July, but
if necessary we might
leave Andrew behind
for you. I have no idea
how many sittings you
would want.

Once again thanking you
