

ADMIRALTY HOUSE,

PORTSMOUTH. 1.2.31

My dear de Kaszko

I was in London
yesterday and saw
in London the sketch
- as you call it - of my
wife. I had not
seen it previously
since you repainted
the face. I do think
it is perfectly charming
- I simply love it -
and am delighted

to possess it -

I do think you have
been more than kind -
with a thousand
thanks and kindest
recollections to you
and your lady from
us both.

Yours very truly,

Romkey
