Dear Mr de Laszlo

I received the photographs
of my portrait a few days
ago at Bwood, and
have signed one of them and
brought it up with me today.
I am leaving it here to be
delivered to you by hand

I think the picture has
'photocopied' very well indeed.

We are just off to Ireland

for 2 months.

I hope you will have a
good holiday

With kind regards

Yours sincerely

Lausdane
