My dear Sir

It is of secret

six hundred guineas, why
he wrote £346 I can

imagine & am very annoyed
£346 is no price neither
guineas nor pounds. I can
only excuse him because
he is rushed

to talk to you. The picture
could be too cheap at \$700
or I said yesterday. I fear
he may have sent your cheque
to some one else or am

telephoning him.

I leave the choice
entirely to you.

Sincerely yours
Northcliffe
