My dear Lassie

Let me send you  
a line to say how  
abominably unfair I  
consider your treatment.  
As Hon 'Secy' of the R.P.  
I personally consider  
you have been most  
considerate of the feelings  
of some of our members  
in not enforcing your  
privileges as a member  
during the war.

For legally, having  
 been naturalized, even  
 though at the present  
 time we could, and did,  
 only request you not to  
 deprive your privileges  
 and respect to those  
 who were at war with the  
 country that gave you  
 birth.

I don't suppose you really  
 care much, but you  
 have shown by your efforts  
 for your better friends

here a sincere endeavor  
 to prove your loyalty  
 to them & their country  
 under such trying  
 circumstances that I  
 cannot but send you  
 this line to wish that  
 you may soon be free  
 from this temporary  
 embarrassment -

I am

Yours faithfully

Herbert A. Olivier
