

ENGLERE,

ASCOT,

BERKS.

23. July 1913.

My dear Sir,

The Hon friends of the
late Alfred Lyttelton wish
to have a portrait of him in
the Memorial Hall - a portrait
painted by you, and I am
Commissioned to put out
whether you will kindly
undertake to copy your own
portrait of him - the copy

to be treated as a new
picture - not as a copy - as legends
cost. say they want the
picture to be printed by you
and to be signed by you. like
in all respects a new picture.
I hope you will agree to do this.

I propose to call at your
Studio about 12 noon tomorrow,
when I shall be so pleased
if you will be able to give
me a favourable reply.

Yours sincerely
Robert
