

ALDERLEY PARK,
CHELFORD, CHESHIRE.

3. May. 1923

My dear de Lanza

I neglected to
answer at me about the sketches
you were kind enough to offer me
I need hardly say I shall be
delighted to have them and
thank you very much for yours.

CHELFORD GREENHIRE
ALBERTY PARK

Kindness. You are like the lady
in the Spring of the Arabian
nights who made every
kings son pay duty to her. But why
all the crowned heads of Europe need
besiege the sea (but there are a diminishing
numbers) but all the great potentates of
the world come to bid in turn all to
you are yours sincerely
