Dear Mr de Laszlo.

Thanks so much for
your letter. I will certainly
remember to speak to Douglas
Fairbanks about your
visit when I see him —
I am enclosing a cheque.

Hampden House,
Green Street,
W. 1.

for the portrait and note
you will be sending the
photographs to my secretary
in about a fortnight. I
had mentioned the price
to his friends before I
received your letter, but

of course after reading it I
shall not tell anyone else.

I hope to have news

of you in America before

long.

Sincerely,
Sutherland!
