Dear Sarah,

GLENDOLL FOREST,
CLOVA,
KIRRIEMUIR,
FORFARSHIRE, N. B.

Many thanks for
the wire sending greetings. - It
was forwarded from Westport.

It is very nice of you to remember
the fact, but how did you know?
unless it appeared in some
Newspaper. - In any case it

was very nice of you to send, &
I appreciate it. -

We are busy deer stalking. The
house is full of nephews, nieces,
Grandson &c, who find plenty
to do fishing & shooting Rabbits -
This Glen is very inaccessible,
the scenery fine - wild - abrupt -
precipitous - most of the ground

on which are the Deer at this time
of year is over 2500' ab. sea level. -
The walking very severe, but it is
very good for me - To be out walking
over all sorts of ground, angles, & levels,
for 8 or 9 hours a day for 4 or 5
days out of the 7. - I am glad to be
able to do it at my age. -

I trust you are well - Please
remember me to that nice wife
of yours & Believe me

Yours sincerely
Sligo
