Dear Mr De Longo

The portrait has arrived &
I am in great pleasure - Some
of my family also have seen it
and they find it is characteristic &
pleasing. This is my opinion -

You must bring Mrs De Longo to
see it in its setting some time
my wife will suggest a suitable
date for you -

Yours sincerely, I enclose
my cheque for £210 -

I think you said that you
would wish to exhibit it at
some future time - If you do
you will of course let me know
when you want it - it will
be at your disposal -

Yours very sincerely

Stanley of Alderley
