Dear Mr de Laszlo

I am so delighted  
with the reproduction of the  
portrait you painted of my  
daughter - that I am  
having it framed,  
Thank you many times  
for sending it to me.  
The only part that was not  
satisfactory to me was drawing of

her is the month. but I  
believe I can rectify  
that myself.  
I was so glad to meet  
her again at Barnes  
Schoeder's the other night,  
& to make the acquaintance  
of Mr. de Laszlo, who has such  
an interesting & beautiful  
face that it gave me great  
pleasure just to watch her.  
In affection,  
Celia Stoddard
