Dear Mr. de Laugel
How good of you to
send me those charming
reproductions of your portrait
of the King & Queen & little
Princess Elizabeth - thank
you many times - they are
a best addition to my collection.

I am so glad to
hear that you saw that
wonderful Coronation Service

in Westminster Abbey,
I for Artist's nature
of. I have greatly enjoyed
the Medieval atmosphere
of both the Service & the
choir. I thought the King
in his Cap of Maintenance
& simple vestments was
a great inspiration, & a great
& beautiful contrast to the Queen's
simple little unadorned brown
head! R. Nisbet
