Dear Mr. & Mrs. Dargy

Many thanks

for your letter & the

Lyttelton portrait

which I have

passed on to the
Committee.

A lady who
is very looking

in a picturesque
way and has done
three. Has
written One from
Paris and asked
whether it would
be kept least
for worned paint
her. Her name is
Susan Gyn the
has list the
not agreeable of

and I am
afraid could not
manage any thing
big. Gyn. &
were willing &
Paris had what
would be the
price of a
lecture
size of that which
Cocotte from Paris
in the corner of
the room

In could make a
splendid thing
of her with her
white skin. dark
eyebrows green eyes
and Venetian
red hair. She
lives in Paris
but comes over here
sometimes

Yours very
