My dear Duke
When I
had luncheon with
the Duchesses & you
last July, I too
admired the beautiful
Sketch Portrait
which W. de Vaszlo
had painted of you

Witz. I would
so like him to
do a sketch
Portrait of me
I wonder if
who I believe know
him very well.
Wouldn't it
ask him if ~~he~~
would ~~just~~ truly
undertake the work?
It would be very
kind of you if

Jon would close &
I do hope he will agree
as I do so admire
his sketch portraits
I have recently seen
by him!

Yours sincerely
Madge Pope
