

23, AVENUE MARIGNY

12 June 85

My dear Luigi

I have just heard that the young
lady that you are has just
been married. twenty five years.

You must have been
"taken" to church on that day
by your wife and at an
age where, in France, one is not
allowed to get married!

To our young - ever - and
festive penitence we all send
our heartiest wishes and wishes
for lasting youth, health,
happiness and success

Yours very sincerely

Robert de Rochemont
