Copenhagen

Mr. Philip A. László, who has taken up his residence at 19, Hanover-terrace, Regent's Park, has just been awarded a gold medal at the International Exhibition at Venice

Dear Sir

On sorting my letters before leaving Denmark tomorrow, I have

found one of yours apparently unanswered.

I must ask your pardon for having been so long in conveying to you the Queen's best thanks

for the excellent Portrait
of the Princess of Hohen-
zollern which you so
kindly sent to Her
Majesty.

Believe me

Yours truly

Charlotte Knollys
