Dear Mr De Laugel

I am very  
glad to hear that

you to be pleased that  
you are willing to  
make a portrait of  
my son.

If you will kindly let

me know who you are  
pammy I shall send you  
the best photographs we  
have of her.

He had a very bright  
face, which comes out  
to some extent in the  
photographs, so that I  
hope when you see them

you will think it  
possible to do it.

I shall not of course  
mention that you are  
doing this for me.

Yours truly

Alfred Russel Wallace
