

CREWE HOUSE.

30 December 1914 CURZON STREET. W.

Dear Mr. de Laszlo

I have the pleasure to enclose a cheque for 150 guineas in respect of your portrait sketch of our boy. Lady Crewe has probably told you how much we are delighted with it, both as a picture and as a representation of the child, — not the best of sitters, I fear. All our friends who have seen it are full of admiration.

With all good wishes for the New Year, I am yours sincerely

Crewe
