Dear Mr. de Laszlo,

I enclose herewith
a plan which should enable
your chauffeur to find our house,
when you come to us on the evening
of Friday January 16th. Edwina
& I are so looking forward to your
visit, & I will see what we can
do with my Cinema

I can't tell you how delighted
I am with ~~the~~ Edwinia's portrait
now that you have made
those marvellous changes. It was
always good but now it is
quite exceptional. Thank you
so much.

Edwinia was very thrilled
with the picture you did of me
and it was a real surprise.

Would it be all right
if I sent for the pictures in

a week's time (about the 26th)

If you had them both sent
to Brook House by then ~~then~~ I could
have them fetched from there.

Please ask your man to have
both pictures packed in their
cases, ready for travelling
and if Edwinia's picture has no
case perhaps he could make
one by the 26th. Again looking
forward to seeing you ^{both} on the 16th
yours very sincerely
Louis Mountbatten
