Dear Mr. Haylo,

I am writing to ask
if you would do my portrait;
just my head on a cardboard
back-ground, as I have seen
several most charming ones
you have painted of members
of my family - It is to be
a silver wedding present to

my husband, so you can realize
I am no longer in my "prime
juvenile" ! *Heilas* !

We are going abroad immediately
but will be back again in
October + most of November, so
that I hope we can arrange for
sittings sometime then.

May I know what you would
charge for such a portrait as
I have indicated ?

As this is to be a surprise for

him, I do not wish my
husband on any account to
know about this.

Believe me
Yours sincerely
Mrs. [Name]

Much obliged
I have just
received your
letter of the 11th
and am sorry
to hear that
you are not
well. I hope
you will
soon be
able to
return to
London.
