† MARCHAIS-AISNE

Dear Sir-

It is perhaps the moment to speak of an approximate date of your arrival in Monaco. Here are our plans: on the 4th of January I leave for America with my daughter and will be back on the 19th of February: so it would be very nice if you would come any day between 20th Febr. and 10th of April as we all leave the Principality the 1st of May: I would be very glad to receive an answer and beg you to accept my best regards

Yours Prince de Monaco
