Dear M^r de Laszlo

We have received your letter of
28th, concerning the picture of my
son in law and are happy to hear
that you will be able to come
here. I only beg you to consider
him alto as a friend and not to
ask him the high prize of £1000
but less: perhaps £800 would
suit you I hope - We would like
a painting of the same size as
mine - Sure that you will agree

With my proposition, I beg you,
dear M^r de Laglo, to accept my
very friendly remembrances

Yours truly
E. H. de Laglo
