Dear Mr. de Laszlo,

I am much obliged to you for your letter and note that you would like to make arrangements with me about sittings. I need not tell you how much I appreciate the fact that I am to have the privilege of sitting to you. As you have kindly consented to dine with us next Tuesday, I hope you will let me arrange to have a few minutes' conversation with you then about sittings. I fear you will find me a most troublesome person, for my hands are full from morning to night!

I am,

Yours very truly,

*Naudall Cantuar*
