My dearest Paul.

When you see this address
I'm sure you'll wish ever
so much to be here!

Dads & I came down
last evening - we are
quite a big party.

A Mr. Elmes & Major
Pilkington & Mrs. D'Orelli
are all here. The latter
took Dads & me a lovely

walk this morning, round
by Beaumont College
& the river, & up the
long walk! Well I'm
quite tired after it, &
am spending part of
the afternoon writing to
my dear Pops -

I've just been sitting
on the sofa between
Dorothy & Margie,
who were showing me
photos etc.

Tomorrow morning early

we return home -

You ask about the room -
Yes, you & Pat will
have the largest of the
bed-rooms, & place enough
will be provided for your
things -

I am delighted you are
4th in the farm - was
that only for 1 week, or
is it your place through-
-out the term?

Aunt Ethel went to her
flat on Friday - John
is spending the after-
-noon

with her. I don't think
Constance will come home
till after Xmas

John's party was quite
nice. Alfred played the
piano for us, & we
had musical chairs,
& other games, & there
was a lovely & very good
birthday cake! Wish
you could both have
been with us.

Dad's won't be going to
M.S.A. till about Feb:

He is very well, only he
