My dearest Pauli.

Sister  
The

I enclose a certificate  
about your vaccination -

I do hope the arm will soon  
be quite mended, such a long  
time as it has taken!

Has the parcel arrived safely,

& did it contain all your

"forgets"?

I see you & Stef are not  
together in a study - but  
you will meet constantly  
& perhaps next term you  
can be together.

I was delighted to hear that

had got his resume into the  
Science side. It is interesting  
to hear that the farm he is in,  
was formed entirely for the pur-  
pose of working up for the  
School Certificate exam.

The earlier you start working  
hard for an exam, the  
more chances there are ~~for~~  
to pass with flying colours!

I had a wire from Dads, that  
he has arrived in Amsterdam.

John began school the day  
after you left. He is very  
proud of the sports coat he  
received being a senior - you  
remember the black kind  
edged with bright blue ribbon?

I hope you've succeeded in  
getting V. Nation card - we  
have not got it.  
much love to both my
