Thursday. So glad to get the  
Studio my darling Pauli yesterday,  
& to hear you are at P. F. I believe  
Little Lu is there also. Give  
her my love. I've also a  
card from Aunt Elsie. Go down  
to her for a few days.

We shall return home  
Monday evening, but I  
shall write to Mr. Davis  
for sure later.

Mind you don't take cold  
again, & when you go into  
shops open your coat.

Johnnie will be glad to see  
you. We are v. busy seeing  
all our friends here.  
Love to you John + Lu  
Mum.
