pictures from the holidays! Also! for post? I hope you feel quite alright & miss me.

Dearest Pauli:

I would have loved a sign of you, & a good hug before you went north! Johnie tells me you have got to fall! Dads & I got the photos nicely put on my table, with yr notes. Aunts says they are "beautiful". I think the kitchen one is just splendid.

Well, on the 12th he took forward to see you & our dear Steve & that will be soon now. I was over at 3

F.J. today, with John & Rhoda, bringing over luggage. It looks nice. You will have the room you want with birds. Dads is going about here in the study. taking down
