

Things about Aunt  
we heard today  
both returning on the 4th!  
So glad. Mother.

I want to tell you that the beds  
are of stained oak + the other furniture  
in the room, will also be stained  
later on, so everything will match nicely!

\* Tell Stephen that the voltage  
is 50 alternating - the power is  
110 alternating - 60 cycles. Henry  
has been a great help in the  
house + John has also been  
helping. Mr. Bruno was here  
with Dorothy + greatly liked the  
house - we have just had a visit  
from Con Hill, + she has been  
telling us many interesting
