My dearest Pauli.

Glad to get your letter dear

Rolls! I have several important things to say - First, the nice day I spent with you at your confirmation - I was sorry it was a day of strain for you on account of the exam, & therefore your mind was much occupied - But our thoughts for a time were running in the same groove, thinking about the real, yet unseen things of life, in evidence of which Christ died, & of which every sacrifice in life is a new evidence - The life of the kingdom of God -

I hope you have done well at the exam, altho it was a bit soon for you to do in for it? Pauli & the

Miss Swinburns will have the cheque to give you for your shirt.

+ enclosed tickets. I shall not expect to see him till the evening on the 20th

Now dear Pauli, I am so sad to have to tell you that I can't be ready to go with you to the Army & Navy, because I am going to Paris tomorrow to meet Daddy & come home with him on the 20th in the evening. I am so sorry about not going with you - But! My Sec: Miss

Simmons, who is v. nice, will go with you to the A. & N. & she will give you her advice. I think you are sure to find what will suit you there.

You & Stef must both look smart to go to Lady Evelyn's party on the 21st 8-12 o'clock -

Don't forget both of you to thank Lady Evelyn - She is small & fair -

I have given Henry your note. He came home yesterday & has gone to the Caledonian this aft: with Miss Jollet.

you will be dining with 13:10 on the 20th! My Sec: Miss Simmons
