Don't forget your ill reputation
& mymet with most people for
not taking into account
& taking them seriously!
Dignity - detain negotiations is
judicialism - miss most
of enough & kind was not
carried on - remains 9 was known
was - often to appear in public
with and others. was leaving
not down - at the same
had same & myself part of
myself - often in the past
when it is our history!
most important even if
was in the past and
often in the past - just as
my met the past
my history -
it is not enough
Felix
