TELEPHONE P.O. 51 BIRCHINGTON.

June 28th.

ZEIDAB,

BIRCHINGTON ON SEA.

My Dear Mr Lazlo -

I am so Delighted
to read this morning that
all is well - Congratulations
to you & your family.

It was disgraceful that
you should have ever
been doubted -

But a successful man
has many enemies.
And malicious tongues
are very harmful -

BIRMINGHAM ON SEA.
SEIDAR

Father was very upset
to have to give up
the care - but he was
seriously ill.

I hope we shall meet
soon - You will need
a rest after the strain
you have been through -
After that I hope we
shall see more of
your beautiful work.

Yours very sincerely
Glacie Smiley
