Dear Mrs de Lazzlo

I have read the Statement which everything I know of your husband & yourself leads me to believe is the truth & the whole truth.

I have not yet heard whether the interview is accorded, if so, for what day. If I thought that Mrs de Lazzlo had plotted against or betrayed this country, I should not stir a finger in his defence, but believing him to be incapable of ~~such~~ any treachery I shall be only too

glad to join with Lord Devonport
Lord Selborne & others.

Yrs. sincerely
Arthur Chamberlain
