Dear Mr. H. Smith.

My husband asks
me to thank you for
your telegram & letter.

He has been expecting
the paper, as since
matters are daily be-
coming more strained
regarding nationality, he does

not like going abroad
without the pledge, re
his naturalisation.

Hence he wd be very
grateful, if on receipt of
this you wd kindly write
to say, whether he can
expect the paper to arrive
here on Tuesday 1st September
as he is going to the Port-
lands' on Wednesday & is
anxious to perform the
Oath taking prior to travelling
about the country.

How grave things are looking!

Yours sincerely
A. N. de Laszlo.
