Dear Madame Luyk.

I will certainly endeavour  
to be present if you wish for a short time at  
the trial. I am unfortunately much  
engaged during the early part of next  
week, but I hope to be able to find a  
few spare moments for the purpose -  
But I need hardly say I am in the  
most complete sympathy with you all and  
have no doubts as to the result

Yours sincerely  
Wendell
