METROPOLITAN POLICE OFFICE,  
NEW SCOTLAND YARD, S.W.

8th February, 1918.

CONFIDENTIAL.

Dear Mrs. de Laszlo,

When you called upon me at this Office, I understood you to say that your son's name had been, or was likely to be taken off the List of one of the housemasters at Eton.. As this seemed to me very hard on the boy, I wrote to Mr. Alington, the Headmaster, but he is unable to trace the House for which the boy's name was entered. Could you let me know this, and I will write to him again?

Sincerely yours,

*B. A. Thompson*
